

*Ponta Delgada, Azores, Portugal
20th to 29th of June, 2019*

The Gastronomic Festival:

The 10 Fest Azores is the biggest gastronomic festival in the Azores, and one of the most important in Portugal. It aims to give a contemporary approach to the Azorean gastronomy, highlighting the local products, such as fish, meat, dairy products, fruits and vegetables.

10 chefs prepare 10 different dinners during 10 days. Each chef will work with the School team to prepare and serve a meal for about 80 guests.

AEHT Participants:

The Azorean School of Tourism and Hospitality is delighted to invite students and teachers of Culinary, Restaurant and Bar to have a working experience at the festival. This opportunity will give both students and teachers a unique chance to collaborate and help Chefs, Wine Producers and Sommeliers from Portugal, North America and Europe.

Number of participants:

There will be limited places available for students and teachers, therefore the organization will give priority to 1 person from each country and school, and also to those who register in advance.

Registration:

The candidates should send their resume, and explain the reason why they apply for the participation at the festival (see registration form).

Registrations must be submitted until March 15th

The registration includes lunch on the days of the event. Participants have to pay for their flights, accommodation and other meals.
